

Legacy of Fire Fellowship

IN HONOR OF WALTER AND CLAIRE MATTHEWS

Bringing baptism in the Holy Spirit to new generations.

We are honored and blessed that the Board of Pentecost Today USA (formerly the NSC) has decided to focus their new Planned Giving campaign 'in Honor of Walter and Claire Matthews.' We invite you to reflect on your own "yes" to the Lord and the Holy Spirit, and your journey and, in thanksgiving, make a commitment to leave a "legacy of fire" for new generations.
- Walter & Claire Matthews

Recall how our lives were profoundly changed when we were first baptized in the Holy Spirit. Remember that initial fire we felt in our hearts, as we embraced God's will and passionately preached the Gospel to all nations so that others might also know the love of God!

Consider the fruit of the Catholic Charismatic Renewal, as over 160 million Catholics have been baptized in the Holy Spirit over the last 50 years. Over the years we have served in leadership in our prayer groups, entered the priesthood, diaconate, religious life and many other ways. Now we have the opportunity to bring the grace of baptism in the Holy Spirit to new generations through "**Legacy of Fire**" Major Gifts and Planned Giving.

- Ron Riggins, Chairman of the Board

Will you pray about leaving a **Legacy of Fire** through a commitment of **prayer and giving** in one of these ways?

Now retired, I am supporting the NSC's [Pentecost Today USA's] planned giving with their focus on young adults and using media more effectively.
Bishop Emeritus Sam Jacobs, LA.
